

To: All Competitors

Subject: PIRELLI GT4 AMERICA – TIRE ALLOCATION

Date: 13TH MARCH Time: 10:45

The Stewards call all GT4 America competitors attention to the the following change in rules regarding the tire allocation for cars entering 2020 Pirelli GT4 America Events:

29.11 Tire Limitations

Tire limitations for dry-weather tires apply to the following Series:

- a) Pirelli GT4 America SprintX
- b) Pirelli GT4 America Sprint
- c) TC America TCR TCA
- d) TC America

Pirelli GT4 America SprintX and Sprint

For cars taking part at the first event of the 2020 Pirelli GT4 America Series (SprintX and Sprint) season being held at Circuit of the Americas: A maximum of Four (4) sets of new “dry” tires must be registered. Tires may be used freely for Practice, Qualifying and Races.

SprintX

For returning Pirelli GT4 SprintX, cars a maximum of two (2) sets of new “dry” tires must be registered for use during qualifying and races. Tires used for Practice sessions will not be monitored and may be carryovers or new tires.

Sprint

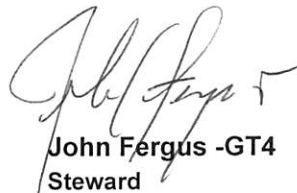

For returning Pirelli GT4 Sprint cars, a maximum of two (2) sets of new “dry” tires must be registered for use during qualifying and races. Tires used for Practice sessions will not be monitored and may be carryovers or new tires.
