Due to Force Majeure, accident damage, the entered car can not achieve to prescribed minimum ride height listed in the latest BOP. The Competition Department has verified the measurement limitations due to the car's prior accident damage, The Competition department proposed a compromise of a 5 mm tolerance under the BOP limit in exchange for an additional 10kgs of ballast. The team agreed to this proposal.

The Stewards approve this wavier of the elements of ride height of the TC BOP Sporting Regulations 30.1 for this car and this event only.

The competitor is reminded of his right to appeal (Article 18) except the penalties which are not susceptible to appeal.
