Re: Technical Wavier

Stewards Decision No. TC 03  
Date: September 24, 2022  
Time: 08:21:01

Per the request of the team via RA TC 03 Mini JCW Team, and issues with global supply chain, the team requested changes transmission that is not homologated for the Mini.

The SRO Tech team supports the request.

The request for an event wavier is approved.
