During post-qualifying inspection, the Chief Scrutineer found the No. 8 car to be non-compliant.

A Technical Infraction Acknowledgement document – Sequence #007 – was issued, signed by the competitor's representative, and forwarded to the Stewards.

The reported infraction was a non-homologated hood on the No. 8 car, which had an oversize vent and additional openings that were not described in the homologation documentation.

After considering the matter, the Stewards impose the following penalty:

Loss of all lap times from Qualifying
