Re: Technical Infraction

Bulletin No: TC-03
Date: 6 Apr 2024
Time: 17:00

A report has been received from the Technical Manager regarding Ricca Autosport Car #780 and Car #78. The report indicated the measurements of the car did not match the Homologation paperwork.

Upon further investigation, the Stewards found that the paperwork contained a clerical error on the measurements, the Car itself was compliant with the Regulations.

The Stewards apply a fine of \$1000 per occurrence, which is suspended provided the Competitor corrects the errors in the Homologation paperwork during the Sonoma Event prior to the next Race.
